GOODS ELEVATOR

Supernova Technologies Pvt. Ltd. are SSI, NSIC registered ISO 9001:2015 certified company and MNRE approved manufactures and service of Small Wind Generators, Wind Solar Hybrid Systems, Gasification stoves (forced draft), Solar Power Plants, Solar Tracking Systems, Security Alarm Systems, Goods Elevators etc.

We offer Goods Lift (Elevator) that is one of the extensively used material handling equipment. In poultry farm

sheds, fabricated cage heavy loads can be transferred from one floor to another with the help of these lifts. The designing and erection of the structure of these lifts is done at clients site. These lifts can installed both inside and outside the building and are tailor made to suit individual needs.

As per the individual requirements, for adjusting the height of the cage, these lifts are provided with a wire rope hoist, that mounts on a supported i-beam. C-guides are fitted on the sides of the cage that helps the lift to run smoothly.

GOODS ELEVATOR
